

FREE LITERACY SUPPORT, RESOURCES AND BOOKS FROM MANCHESTER AIRPORT

TAKE 10

Read for 10 minutes a day and feel good!

As part of Read Manchester, Manchester City Council and the National Literacy Trust are launching a new initiative to promote reading and its impact on mental wellbeing. The Take 10 initiative will encourage people of all ages to take 10 minutes out of their day for themselves and read - to feel good.

For children, a reading habit has benefits beyond the classroom - it can help them feel happier and cope with any worries.

Manchester Airport will be holding an event when the initiative launches on 10 October from 10am. Why not get involved by organising a reading event at your school? Post your pictures online using **#ReadMCR**.
