Central Library will be running monthly Autism-Friendly Story Time sessions. Dates, times and venues are as follows:

Session times: 10-10.30am

Age group: 4-7 years
(flexible depending upon the individual needs of the child)

Parents and carers need to book, as there are only ten places available at each session.

The sessions will consist of a story and three or four songs. We hope to make the sessions as visual as possible.

A social story will be emailed to the child when the booking is confirmed.
