

“Once upon a time, words began to vanish from the language of children...”

Take a walk around Gensing Gardens to help us find them so they aren't lost forever!

Eight local words from Hastings and Sussex are hiding around the park. Hunt them down, find out what they mean and write them in the spaces on the reverse. See if you can answer the questions as you go!

When you have found the words in the park, we want you to find them in the wordsearch too! Complete the wordsearch to get a free book!*

The word hunt is open until the end of the 2019 school summer holidays.

Top tips for families

Walk and talk. Chat with your child about what you see on the trail. Ask open-ended questions so that the answer is not just a yes or a no.

Introduce new words into the conversation. When you use a new word, explain what it means. If your child is interested, encourage them to do some research about the word when they get home.

Talk about the day on your way home. Ask your child which part of the trail they enjoyed the most and what their favourite new word is.

This trail is inspired by the Lost Words Trail in Hastings and is brought to you by **Get Hastings Reading**, a campaign from the National Literacy Trust and the Hastings Opportunity Area.
